

AMENDMENT

**In the claims:**

Please cancel claim 160, without disclaimer or prejudice to future prosecution in this or a related application.

Please amend the claims as follows:

C1  
161. (Amended) The antigen-binding fragment of any of claims 155-159 that is conjugated to a chemically functional moiety.

B2  
163. (Amended) The antigen-binding fragment of any of claims 155-159 that is bound to a BDCA-2 protein.

C2  
164. (Amended) An antigen-binding fragment of any of claims 155-159 that is bound to a cell that expresses a BDCA-2 protein.
